An Inaugural Soirée

Celebrating a new icon in Nice

THE OCCASION

On the evening of 21 June 2023, Anantara Plaza Nice Hotel hosted a white-tie gala dinner in celebration of the Plaza's opening after three years of renovations. The experts at David Collins Studio, Jean-Paul Gomis and TBC Interiorismo infused the interiors of the iconic landmark with a modern yet classic glamour.

The event was an opportunity to showcase the rejuvenated 19th-century Belle Époque building – operated under the Anantara flag since December last year – in its full glory. Celebrities, business partners and Nice's high society gathered to celebrate the occasion with a gala dinner hosted by William Heinecke, the Founder and Chairman of Minor International – the parent company behind Anantara Hotels, Resorts and Spas.

After dinner, the celebration proceeded up to the spectacular rooftop bar “SEEN by Olivier Nice”, with music from live band “The Presidents” and international French DJ Bon Entendeur. The attendees, including a number of celebrities, enjoyed delights curated by Executive Chef Denis Gamard, including sushi, oysters and Champagne.

THE OBJECTIVE

To celebrate the grand opening and invite guests to enjoy an unforgettable evening surrounded by Belle Époque elegance in one of Nice's most sophisticated hotels.

THE OUTCOME

Organise a gala dinner for the city's high society and celebrity set, showcasing cuisine from Anantara's hotels across Europe followed by a rendezvous at "SEEN by Oliver" with live music and exquisite food and drinks.

The 300 guests enjoyed an exceptional evening and made indelible memories associated with Anantara Plaza Nice.
